H&I/PR	\$500	?
PO Box	\$109	\$146

PSZF will be in Grand Island Nebraska, Jan 28-30,2022. The CAT/CAR will be covered in 6- 90 minute sessions on Saturday. Please contact me for more info.

We are planning on having the Next face to Face Zone in Rapid City May 20-22, 2022. I am currently seeking bids and working on a "Save the Date" flyer.

Last month we posted the approval draft of A Spiritual Principle a Day on [www.na.org/conference](http://www.na.org/conference) and made paper copies available for purchase from our webstore ( [www.na.org/webstore](http://www.na.org/webstore) ); search for item #9146.

### NAWS Web Stores

A chunk of entries (from compassion to empathy) were left out of the table of spiritual principles that appears at the end of the draft. This was corrected in the Approval Draft dated December 2021 on the cover. We have posted a corrected version of the SPAD draft on the conference page, [www.na.org/conference](http://www.na.org/conference) , and posted the table as a separate PDF for

those who have printed or purchased the draft already. Our inventory of the draft for sale has been updated and corrected as well.

A link has been posted an audio recording of the event on Sponsorship December 4th in the Webinars and Events section of the virtual meetings Page: [www.na.org/virtual](http://www.na.org/virtual) . We should have a summary report posted soon as well.

ILS, Melissa Barker

**Regional Delegate Alternate-** Carol: No report

**Convention Chair** – Available for 2022

#### SDRCNA 24 REPORT

The convention committee is proud to announce a successful SDCRNA (convention). The event was held at the Rushmore Plaza Holiday Inn in Rapid City, SD over the dates of Oct 29-31, 2021. Attendance was roughly 100 people over the weekend with \_\_\_ registered. There were 2 speakers on Friday and Saturday, with a speaker also Sunday morning. Workshops were held on Saturday with topics of - JFT Living the Program, Recovery & Relapse, Sponsorship, and Triangle of Obsession. There was a disruption in one workshop that led the committee to advise future committees in selecting and clarifying members on the task required to host a workshop. Though the events that happened were a first we must always make sure we are clear on our NA message, adherence to the 12 Traditions, and follow all rules affiliated with location of events Financially the convention did well covering all expenses, replenishing all seed money for next years convention, and also making a regional donation. A breakdown of expenses will attach to this document. All left over merchandise and annual banners were collected and stored for the next years convention, excluding SDCRNA23 banner still in the Aberdeen. We had 100 tickets for a hotel stay and convention registration raffle, 50/50 raffle, quilt raffle, and general items raffle. We also had an auction to raise funds. Merchandise not convention related was furnished by Marco from WI.

Committee Members:

Sharlene S – Registration and Merchandise

Jeff S – Registration and Merchandise Treasurer

Carol P- Programming and Advisement

Larry J – Programming

Brad O – Committee Chair

Next year the convention will be on the east side of the state and are excited to share in that experience. Please do not hesitate in contacting anyone on this list for any questions, concerns, and help. We again would like to thank all those who attended near and far to make this happen and go so well. A special thanks to the home groups who made direct donations of food, funds, and time. We feel we accomplished a lot this year through unity of all levels of service in our region, and from that have made great strides in a lot of people's personal recovery. Thank you again for giving me an opportunity to work with great people and assisting in a wonderful event.

BRAD O.
