Chair~ SDRCNA.com website is down . Web-servant has resigned. Sandi has reached out to Barry for suggestions for a more user friendly website. Would like to see SDRNA.org. .org designates us as nonprofit. Maybe a discount? Looking for volunteers to help with new website. Checking on possible refund for time left. Possibly move on an get new.

John S volunteered as temporary web-servant. He will get as much info together in time for our next Regional meeting in March. Melissa will put John in contact with Barry.

In the meantime, the attending members voted to create a temporary FB group for information about meetings, dates, time, ect. and removing comment option with message only for 2 Admin's Sandi and Melissa.

Due to issues with his personal account, Eddie is uncomfortable with mobile banking. Attending members agree and mobile banking is tabled for the moment. Banking for the Region will be completed in person. Also, we have a check from WRA for \$ 300.01 that is too old to deposit. Will contact Brad to re-issue.

RD~

SD is next in rotation for a physical Zonal Forum in July. We need to decide if a 2021 SDC is going to happen and start planning if so. Current Convention Treasury has \$500 with all bills paid from 2020 Convention.

NAWS is accepting input for any or all of this 5th batch of drafts for the Spiritual Principle a Day project through March 31, 2021. [Spiritual Principle a Day Book Project \(na.org\)](#)
