I'm Melissa and I'm an Addict. The World Board has no capacity for new projects and because the last Conference did not address all of the items in the *Conference Agenda Report*, much of the 2020 CAR is likely to be carried over to the 2022 CAR. They have not been able to tackle all of the work that was committed to at WSC 2020:.

project to revise the *Loner* IP,

collecting Fellowship input to frame the project plan to develop an IP for women

surveying the Fellowship to find out what members would like to see in a piece of literature on RT/MAT.

However, as per permission granted by revisions to FIPT, they will be printing a 60th Anniversary version of the Little White Book (LWB). In addition to the eight stories in the English-language version, 85 more stories are published or forthcoming in 13 other language versions of the LWB.

The last batch of review and input material for the Spiritual Principle a Day Project has been posted to [www.na.org/spad](http://www.na.org/spad). We are still on target to publish the approval draft in the 2022 *Conference Agenda Report*.

Unity Day this year will be 4 September. Flyers have been posted in English, Portuguese, and Spanish at [www.na.org/nawsevents](http://www.na.org/nawsevents).

Plain States Zonal Forum will be participating in the Multi Zonal Service Symposium will be meeting Sept 24-26 in San Antonio. Due to the financial limits of our Treasury account, I have previously stated that I would self-fund to any Zonal meetings. I have had some unexpected bills come up and this is no longer an option. My attendance at upcoming events needs to be discussed in New Business.

ILS,

Melissa.

**Regional Delegate Alternate-** open position

**Convention Chair:** Brad

Good afternoon everyone and thank you for your service. The convention will be held October 29-31 and will be held at the Rushmore Plaza Holiday Inn. There will be a trifold out very soon with registration info on it. I apologize for the delay but at about 90% complete somehow my computer reverted to a factory reset. I do not use it for much and had no external back up for it. We will be meeting soon to finalize workshop topics and final agenda. Any and all suggestions for workshops are welcome preferably Halloween themed. Our big fundraiser which is 2 nights presidential suite and registration is out and will be 100 tickets at \$20. We believed this is an attainable amount that would cover most of the convention expenses. The drawing will be held September 11 giving 6 weeks for winner to grantee ability to attend. Our next meeting will begin to plan for after speaker activities and button up our agenda. Thank you. Addict named brad.

Web-servant: Sandi M temp web servant reports the web site is basic but functional for now. The meeting finder works and an email was sent to request that each group make sure the information is correct so we don't send addicts to empty rooms. The convention is posted as a basic announcement. Anyone willing to learn or with some experience is welcome to help out. A web site committee rather than a single web servant would work better.

**East River Area:** Jim K was not present due to technical trouble.

**West River Area:** Melissa K.

WRA has several Unity Events coming up. One is a short hike at Buzzards Roost West of Rapid City on Sunday, July 11 (coming right up). The other is a "Rocking" picnic on July 31. Flyers are attached. Please print, copy, and distribute to your groups.

Mark your calendar for the Black Elk Peak hike and picnic on Saturday, October 3. Flyers will be coming out in August.

West River Helpline. The magic jack expired last year, so the member who answers cannot transfer calls. It works for now, but we are looking at replacing it.

WRA meeting list is current and they have been updated at NA.org Meeting Finder. A printable meeting list has been attached.
